

# Fury 2400

**Vacuum System captures up to 98% of the water being used with no run-off or damage to surroundings!**

Steel Eagle's powerful Fury 2400 is a one-step system that pressure washes, rinses, and instantly recovers the waste stream for proper treatment.

This clean-and-capture system will expand your opportunities for higher-paying, environmentally-sensitive jobs and more profit.

Use indoors or out with no overspray and no containment problems.
