2 Nozzle Spray Arm
Three 2" Caster Wheels
16 lbs
Made In USA

This new 16" Surface Spinner from Steel Eagle has many of the signature features you have come to expect from a Steel Eagle Surface Spinner. Spun aluminum deck for years of corrosion free service. Durable Powder-Coat painted handle. Mosmatic swivel with carbide seals. Light weight design for ease of use. Weighs about the same as a surface spinner with a poly deck but with the durability of all metal construction. Quickly disassembles for easy storage. Handle detaches from deck and splits into two pieces for storage in most truck tool boxes.

New 16" Heavy Duty Spinner
